

NAME: Paul Jones

TYPE OF GOVERNOR: Co-Opted

MINI BIOGRAPHY:

Since attending Chichester University in 2002, the South Coast has been home. I live in Felpham with my two children who both attend Downview and for the last 19 years, I have worked in secondary education. Teaching Geography has always been my passion, however, my current role as Assistant Headteacher at Bohunt School Worthing has shifted my focus to whole school improvements.

Likes:

Travelling to experience new places and cultures. Any form of competitive sport, either playing or watching. Good coffee makes everything better.

Dislikes:

Pessimistic attitude to situations. Bad coffee.

My favourite thing about Downview Primary School:

How my children have benefitted from the energy and enthusiasm of their teachers throughout their school journeys.
