

**NAME:** Penny Trent

**TYPE OF GOVERNOR:** Parent

**MINI BIOGRAPHY:** I have lived in Bognor and Felpham for over 30 years as has my husband, so you could say we know the area pretty well. We have two dogs and two daughters who both attend Downview Primary School (the children not the dogs – although they may have been sighted at the school gates). My daughters are in Year 1 and Year 3 and my niece and nephew are also there (yr2 and yr6) so my family is pretty committed to the school. I work full-time (from home post-covid) as a Financial Planning and Analysis Manager for a Global Travel business for the last 10 years and have been in the Accounting and Finance industry since leaving school so very familiar with Budgeting and I love a spreadsheet!

**Likes:** Taking trips, eating out and days out with my family  
Dog Agility and obedience  
Horse Riding  
spreadsheets to reconcile!

**Dislikes:** Most vegetables (don't tell my children!)  
Scorpions (random I know but it's the only creature I'm scared of!)

**My favourite thing about Downview Primary School:** So many to choose from but I love the feel of the school as a whole from the minute you walk through the gates we have always found it to be a friendly, happy and welcoming place to be with smiling teachers and staff to greet you despite the time or the weather!
