**NOVEMBER 2024**

**Here's a brief roundup of what FOD have been up to this term.**

**Our first event this year was music bingo - an evening of drinks, music and prizes, which raised over £550! We snuck our AGM in before the bingo and announced our fundraising total for the last year - £27,477.62! The committee, who were re-elected at the AGM, are (from left to right) Katherine, Linda, Hannah, Sophie, Jo, Kirsty, Claire and Lyz. Feel free to chat to any of us if you have any suggestions.**

**For the children, we held movie nights in October, and these raised an impressive £969.32**

**So far this year, we have donated over £5,000 to the school to help towards the cost of the new reception outdoor area, new playground equipment and trips and visitors for the children. We also have lots of exciting plans for December, so look out for our update in the next newsletter.**
